

Dear User,

As part of our security measures, we regularly update all accounts on our database system. We are unable to update your online account and therefore we will be closing your online accounts to enable the upgrade.

To prevent an interruption with your Wells Fargo Online banking services, please take a few moments to update your account by filling out the verification and update form immediately. Click the Below Link to verify your account.

<https://onlinebanking.wellsfargo.com/psp?verification>

Thank you for your cooperation.

Sincerely,
Wells Fargo Online Banking Team
