

China Surpasses Germany in Auto Parts Export To The US - SREA Profits!

Score One Inc. (SREA)  
\$0.19

Keith Bradsher of the New York Times reported, "China's auto parts exports have increased more than six fold in the last five years" This increase has now enabled China to surpass Germany in auto parts export. Shipping over \$1.9 billion in auto parts in the first quarter of 2007, which was an increase of 27% over last year. An additional \$6.1 Billion was exported to the rest of the world.

Chinas total auto industry grossed \$68 Billion worldwide in 2006 and is currently the fastest growing export.

SREA's new showcase facility, designed to rival Detroit's "Motor City" is certainly timely and represents a shift in power in the global auto market.

Read the news. The market watchers are already picking SREA across the board. Get on SREA first thing Thursday!
